

MISSION AND ME

October 23, 2022

MESSAGE RECAP

This week's message is specifically focused on the mission of God and your role in that mission. As a follower of Jesus, you are invited into the mission to be "fishers of men" (Mark 1:16-20). That doesn't mean you know everything or even must do everything. It means following Jesus is stepping out in faith to be "All In" followers of Jesus. It means the best thing we could give people is Jesus (Acts 3:3-8). When we live out our God given calling (Ephesians 2:10), we as a church move the mission forward.

Two key Ideas from today's message:

You don't have to know everything in order to do something.
You don't have to do everything, but you should do something.

GROUP DISCUSSION

1. How are you...really? Share some highs and lows about your week.
2. After listening to the message, what stood out to you? Why?
3. Read [Mark 1:16-20](#) and talk through the calling of the first disciples? How much did they really understand? How much did they give up? Was it worth it?
4. What are some reasons you have or haven't served in some way at the church?
5. Read [Acts 3:3-8](#) and talk through the response of Peter and John. What do you notice about their response that might challenge the way you're responding?
6. Key Takeaway: **How can I help?** Look back at the two take aways and be honest about your involvement right now in at the church.

PRAY

Pray through Matthew 9:37-38 as a group.
