MESSAGE RECAP

We were reminded this weekend that “we have more in Christ than anywhere else.” Christ, who is the entire fullness of God’s nature, has filled you in Him. As we align ourselves with Christ’s sacrifice, we exchanged our old life for the new one which is expressed through baptism. Every day we fight to value what we have in Christ of more worth than anything else.

GROUP DISCUSSION

1. How are you...really?
2. Take time to read through the passage twice as a group. Then give your group 5 minutes of silence to pray and write out anything they feel God might be putting on their hearts. Process as a group after.
3. **Read Colossians 2:9-10 out loud.** What do we learn about God's nature when we look to Jesus?
4. How does it impact you knowing you've been FILLED by Christ?
5. Where do you need to align yourself with Christ?
 - a. Have you been baptized?
 - b. Are you holding onto something in your past?
 - c. Are you valuing something more than Christ?
6. End group time by praying together.
