

# BY FAITH WE PLEASE GOD

Hebrews 11:4-7

## MESSAGE RECAP

This week's message builds from the foundation of faith by looking at three key people of faith (Abel, Enoch, and Noah). Their faith was noticeable in the actions they took to worship God by their giving, living, and working. Their stories emphasize worshiping God on his terms, seeking him daily, and preparing for the future with a holy fear of God's warnings. We want to take time to process how they might inspire us to do the same in our lives as we worship God. Every aspect of our lives should be inspired by our faith.
