GALATIANS 6

In Galatians 6, Paul shows us what it looks like to live out the gospel in everyday life. Because Jesus has done everything necessary to make us right with God, we don't have to earn His love or prove our worth through our performance. Instead, His grace changes how we treat others, how we live each day, and where we place our confidence.

We live by the gospel by following Christ's love through gently restoring others and carrying one another's burdens, by sowing to the Spirit through our daily choices and refusing to grow weary of doing good, and by placing our confidence in the cross rather than our own accomplishments. We are called to live as new creations, sharing the grace we've received with the people around us.
