WHO IS THE HOLY SPIRIT?

HOW DID JESUS PREPARE US FOR THE HOLY SPIRIT?

MESSAGE RECAP

THE BOOK OF JOHN

Jesus showed us that His life and ministry were inseparable from the Holy Spirit. From His birth and baptism to His teaching and miracles, Jesus relied on the Spirit's power and demonstrated how we, too, can live Spirit-led lives. He taught that the Holy Spirit is our Advocate, Helper, Counselor, and Comforter, guiding us in truth, strengthening our faith, and equipping us to follow God. Jesus' vision was for every believer to experience the life-giving presence of the Holy Spirit, like rivers of living water flowing within us. Just as God promised in Ezekiel 37:14, His Spirit brings life to what is dry and lifeless. Through Jesus, we are invited to receive the Holy Spirit and experience the transformed life God desires for us.
