WHO IS THE HOLY SPIRIT?

THE ACTS OF THE HOLY SPIRIT

MESSAGE RECAP

THE BOOK OF ACTS

The book of Acts shows how the Holy Spirit transformed a small group of ordinary people into a movement that changed the world. The Holy Spirit was the driving force behind the early church and continues to be essential to the church today.
We see four key ways the Holy Spirit works:

- Ignites: Empowers believers to share the gospel and reach the world (Acts 1:8).
- Baptism: Works in our response to Jesus through faith, repentance, and baptism (Acts 2:38).
- Community: Unites believers through prayer, generosity, and boldness (Acts 4:31-32).
- Leading: Guides the church, raises up leaders, and directs its mission (Acts 13:1-4).

Big Idea: The Holy Spirit is the driving force of the church.
